## A GREETING TO FRESHMEN

We are very glad to have the opportunity to welcome to the campus of the State Teachers College of Indiana, Pennsylvania, the members of the incoming Freshman Class. Your stay at Indiana will be determined by the curriculum which you have chosen. Two years is all too short a time in which to acquire the necessary background for the profession of teaching. It will therefore be necessary for you to form right habits of study in order that you may not only know success as a student, but that you may find time to participate in college activities. If you are so fortunate as to be able to spend four years at Indiana, you will find enlarged opportunities for the employment of your abilities.

Whether you choose a two-year or a four-year curriculum, all of you will find that college is a test as well as an opportunity. A college is designed to afford opportunities. Your fitness for college life will be determined by the extent to which you avail yourself of these opportunities both in the class room and in the general college life. You have chosen Indiana. It is our hope that you will add to the splendid spirit of the college, and that your years here will indeed be happy and profitable ones.

C. R. Foster.

### TO THE WOMEN

"See first that the design is wise and just;  
That ascertained, pursue it resolutely."

The State Teachers College at Indiana, Pennsylvania, for more than half a century has sent from its halls, women of sterling qualities, refinement and culture, to hold positions of honor and trust in their respective fields of service.

Yours, is the opportunity to join this professional group; by honest, earnest endeavor to develop a personality that stands for individuality, reliability and inspiration.

May you have many happy, challenging experiences in this your pursuit. Indiana cordially welcomes you.

Hope Stewart, Dean of Women.

---

### TO THE MEN

The Indiana State Teachers College welcomes any graduate of an approved or accredited high school, who desires to prepare to teach, if he is ambitious, conscientious, and industrious, and at the same time believes that the profession of teaching is worthy of his high efforts and his constant devotion.

I sincerely hope that every man enrolled in the college, has come with an earnest purpose, and that he will work hard and play hard, and find pleasure in both. The college wants to help him realize every worthy ambition and it will gladly do its full share toward that end, on condition that he will do his.

W. M. Whitmyre, Dean of Men.

## FOREWORD

The purpose of the handbook is to give to the freshmen, information about the various organizations to be found on the campus, as well as other valuable information which will prove interesting as the school year advances.

We wish to acknowledge the splendid co-operation and help which the Young Women's Christian Association has given to the College in the preparation of the material contained herein, and for the publishing of the handbook.

C. R. Foster,

President.

## HISTORY OF THE SCHOOL

Indiana is a comparatively old teacher training institution. Having passed the half century mark, a school may be said to be firmly established. And so it is with somewhat of satisfaction that we note the date of the founding of Indiana as May 17, 1875.

On that date the school was formally opened under the direction of Dr. E. B. Fairfield, the first principal. The entire school at that time was concentrated in one building, John Sutton Hall, so named in honor of the first president of the board of trustees. The physical equipment of Indiana during the first quarter century was enlarged by the erection of Clark Hall, residence hall for men, and Wilson Hall, a teacher training center.

A notable addition to Indiana's material equipment came in 1903 with the erection of Leonard Hall, a large class room and laboratory building, and an extensive addition to John Sutton Hall. In recent years expansion has been furthered by the addition of dormitory annexes, the enlargement of Recreation Hall, a dining room annex, and a modern Power Plant.

Since being placed on a college basis in the spring of 1927 with the power to grant degrees in five different fields, Indiana has felt the need of a larger material equipment. And so in the spring of 1928 the new gymnasium was formally opened and with its opening, facilities for physical education were such that the program

in that department could be intensified and broadened.

The new Arts Building was completed last spring and was formally dedicated in March 1931. It houses three departments; Commerce, Art, and Home Economics. The building is thoroughly equipped to do the work of these special departments, and is one of the best of its kind to be found anywhere in the state.

The faculty and student body have under their control and management, a farm just outside the borough of Indiana, upon which has just recently been erected a very substantial building which is known as the "school lodge." This building is available for the use of students and faculty members at all seasons of the year. It is a splendid place to go for an outing and we hope that the students will take the opportunity to make very good use of this playground, as well as of the lodge.

The material progress made by Indiana in the first half century may be read in her increased number of buildings, in her large and growing alumni roll, and in her broadened program of curricula and activities.

These splendid achievements of Indiana in a material way are inseparably allied with the efforts and lives of the men and women who because of their splendid vision and ideals were willing to sacrifice greatly in order that Indiana might survive many early struggles. Notable among those who gave much for the school was

Jane E. Leonard who for nearly fifty years was teacher, counselor, and friend of Indiana students. Likewise inseparably linked with the history of those early days are the names of John Sutton, Silas M. Clark, and A. W. Wilson, the first three presidents of the Board of Trustees, all of whom built well for Indiana. Today Indiana is fortunate in having as the president of the Board of Trustees, Thomas Sutton, whose interest in the school is indeed an inspiration. Among others who have seen Indiana's future as ever greater than her present and so have step by step aided in moving forward towards a better institution have been past presidents Dr. D. J. Waller, Dr. James E. Ament, Dr. John A. H. Keith, and our present president, Dr. C. R. Foster.

## STUDENT GOVERNMENT

During the first semester of the 1930-1931 term, Dr. Foster put before the students of the college, the proposition of having student participation in government. The matter was put to student vote, passed, and the Student Council was formed.

### **DORMITORY REGULATIONS**

Study hour is observed from 7:15 until 9:45 P.M. You will soon find this time all too short; make the most of it while it lasts. There is plenty of time during the day and on Saturday evening for social visits.

Each hall and cottage has a resident faculty member. You will soon meet her at a hall meeting. Consider her a friend and adviser.

There are two irons on each floor for pressing, but if you have more than one piece to press, please do it during some vacant morning period.

Indiana is very fortunate in having three elevators in Sutton Hall. An admirable courtesy of stepping aside for guests of the school and for faculty has become established. Because of the great number of students on the third and fourth floors, students living on second floor are not expected to use the elevators.

---

### **DINING ROOM**

Regular tables will be assigned as soon as possible. Faculty and upper classmen occupy the heads of tables. These places should be left vacant unless otherwise

directed by persons in charge of the dining room.

No service is begun until after the grace bell has rung.

Breakfast is served from 7 until 7:30 A.M. Students may enter the dining room any time before 7:30. Lunch is served at 12:20 every day except Saturday when it is served at 12. Dinner is served at 6:00 P.M. every day except Sunday. Breakfast is served from 8:00 until 8:30 on Sunday. Dinner is at 1:00 and tea at 5:45 on Sunday.

---

### STUDENT HEALTH

The health of the students is usually very fine, but if any illness occurs report at once to the infirmary which is located on fourth floor, south, of Sutton Hall. Do not endanger the health of others by remaining in your room when you are ill. Absence from classes because of illness is excused only by the nurses in charge of the infirmary. Infirmary hours are as follows and are adhered to except in cases of emergency.

7:30 to 10:30 A.M.

4:00 to 5:00 P.M.

7:00 to 8:00 P.M.

Visiting hours 4:00 to 5:00 p.m. daily except Sunday.

Sunday hours 9:30 to 10:30 A.M.

---

### LIBRARIES

The college library of many thousands of volumes is located on the first floor of

Sutton Hall. Library hours are posted on all bulletin boards. Books are free to all students and may be taken from the library by signing at the attendant's desk.

The Indiana Free Library is located on North Sixth Street below the Court House. Books are free to all students of Indiana County. Students not living in the county may join for the sum of fifty cents which entitles them to books throughout their college course.

---

### **GENERAL ASSEMBLIES**

General student assemblies are held in the gymnasium every month. Musical programs and outstanding speakers are featured at these assemblies. Each department holds its own monthly assembly at which time programs of interest to the special departments are presented.

---

### **BOOK ROOM**

The book room is located in the main corridor of Sutton Hall. It is open from 8:00 A.M. until 4:30 P.M. to serve all students of the college. The book room carries a complete line of all student needs.

Checks are cashed in the college business office between 3:30 and 4:30 every day except Saturday when they are cashed between 10:30 and 11:30.

## DAILY BULLETIN

The daily bulletin publishes all college announcements. It is posted on bulletin boards and read in all first period classes. Get the habit of reading the daily bulletin, for there is usually some announcement that concerns you.

All notices for the bulletin should be handed to Miss Duncan before four o'clock of the day preceding the date when they are to be made public.

---

## STUDENT AID

Indiana has available three funds for student aid, the College Club Fund, the Student Loan Fund, and the Y. W. C. A. Scholarship. The Y. W. C. A. scholarship of fifty dollars is given to a student in the two year curriculum in her fourth semester. Scholarship, leadership, and active work in the Y. W. C. A. are some of the requirements.

---

## LECTURES

The college each year maintains a lecture course under the guidance of a lecture committee. During the last year a few of the outstanding numbers were lectures by: Congresswoman Ruth Bryan Owens, Dr. Ralph Parlette, Dr. Hilton Iva Jones, Captain Dinsmore Upton, Dr. Freeman Guy, and a demonstration of the Educational Talking Motion Picture by the Western Electric Company.

Interesting programs for both evening

"B" indicates a good grade of work.

"C" indicates a satisfactory grade of work.

"D" indicates a low grade of passing work.

"F" indicates a failure and no credit shall be given for the course so marked until it has been repeated in the regular way.

"I" is given to students who because of absence or other entirely satisfactory reasons have been unable to complete the required work, but who have been doing in general a satisfactory type of work. This mark must be removed within one month of regular school time or become a failure. Upon completing the required work the student may receive any mark to which the teacher feels he is entitled.

A system of quality points has been established, as follows:

(1) There are required for graduation a number of quality points equal to the number of semester hours credit required in the course being pursued.

(2) A grade of "A" gives three quality points for each semester hour of credit so marked; a grade of "B" gives two quality points for each semester hour of credit so marked; a grade of "C" gives one quality point for each semester hour of credit so marked; and a grade of "D" gives no quality points.

**ORGANIZATIONS**

## ALL COLLEGE ORGANIZATIONS

### Y. W. C. A.

"Not by might, nor by power, but by spirit," this is one of the national Y. W. C. A.'s mottoes, and one of Indiana's, combined with all that is best in friendships and co-operation.

The Y. W. C. A. at Indiana State Teachers College was first organized on May 22, 1897, under the influence of Miss Jane Leonard. At that meeting there were sixty-five girls present. For over thirty years the association has carried on its work; and it has grown in its achievements and progress each year.

The purpose of the Y. W. C. A. is to unite in the desire to realize a full and creative life through a growing knowledge of God.

The regular meetings are held each Wednesday evening. The programs are varied in order to appeal to the different types and interests of students.

Throughout the year there is a wide variety of activities undertaken. One of these is the weekly tea which is held in the "Y" room each Friday from 4:00 to 5:00. Its object is to bring about a fine social feeling among the girls of the school, since both members and non-members are invited. Other outstanding features of the "Y" work are the Pre-Easter services, the Big Sister Movement, the annual banquet, the work done during the first week for Freshmen, the candlelight service for the induction of new members,

and the installation of the new cabinet.

The Y. W. C. A. at Indiana is undoubtedly the largest women's organization—the membership for the past year being well over 500. More acquaintances are made through it than through any other organization.

Its aim is to serve others to the best of its ability and to furnish religious thought and a high standard of morality.

The work for the following year will be directed by the following cabinet members and their committees:

President .....	Gladys Overholt
Vice-president .....	Margaret Guckert
Secretary .....	Mary E. Enterline
Treasurer .....	Katherine Meiser
Program .....	Sara Lou Shoemaker
Finance .....	Emelie Clark
Publications .....	Joan O'Donnel
Publicity .....	Madeline Krall
Social .....	Marian Murphy
Sponsor .....	Miss Wagner

The above named officers constitute the Cabinet, and these officers together with the general sponsor form the executive body of the organization.

Each member of the Cabinet has a committee that aids her in her work and these committees are open to any who wish to join them.

### **To the Freshmen Women:**

We invite you to become a part of our Y. W. C. A. and help spread that spirit, combined with loyalty and interest in your social activities at Indiana.

Come and enjoy our good times and de-

velop whatever abilities you possess, to a greater degree.

Women of any church denomination are invited to become members of the organization.

---

### Y. M. C. A.

The student Y. M. C. A. in the three years of its existence on the campus, has grown to occupy an outstanding position as one of the leading organizations of its kind in Western Pennsylvania Colleges.

At Indiana, it functions as a medium through which fellows may leave the worries and obligations of study and college life, and gather for an hour of quiet meditation and intellectual discussion.

Another enjoyable feature is the fellowship and contacts made at the various conferences which are held for the Western Pennsylvania Y. M. C. A.'s. In April 1930, Indiana entertained the Spring Officers' Training Conference at which there were in attendance over seventy-five delegates from sixteen colleges and universities. The delegates were guests at the third annual all-male cast play, "Tillie the Mennonite Maid," given by the "Y" boys in the college. This served to climax one of the most enjoyable conferences in the history of the Y. M. C. A.

Last year the "Y" furnished two leaders and sponsored the Hi-Y club of Indiana High School. While this is an excellent opportunity for service, it also gives training and experience to students who expect to teach, and who will very probably

be asked to advise a Hi-Y club.

The officers for the year 1931-32 are:

President .....	Jerome Getty
Vice President .....	Bradley Crawshaw
Secretary .....	Harry Reese
Treasurer .....	Melvin Hunter

Vice-president ..... Helen Steele

Secretary ..... Grace McVicker

Joint Secretary ..... Margaret Steele

Treasurer ..... Josephine Bowman

Sponsor ..... Miss Hamblen

The Women's Athletic Association is one of the largest organizations on the campus, and for a number of years has had complete control of girls' athletics.

The purpose of this organization as set before each girl who becomes a member is as follows:

"To promote interest in all sports and physical activity of all women of Indiana State Teachers College, as a means of securing recreation, physical efficiency, scholarship, and good fellowship."

The Women's Athletic Council, which is composed of the executive members of W. A. A., meets twice each week for the discussion of the policies of the organization. There is also a faculty advisory board

which supervises all affairs pertaining to the interests of the Association. During the regular monthly business meetings, programs, prepared by members are presented.

Each quarter heads of sports are chosen to take charge of the various sports and activities. The school year is divided into four seasons, a fall, two winter, and a spring. During the fall season the sports offered are: hockey, tennis, horse-shoes, and swimming for both advanced and beginning swimmers. In the winter seasons are offered: basket-ball, swimming, life-saving, and volley ball. In the spring, tennis, baseball, archery, horseshoes and track are offered as outdoor sports, and swimming for indoors. Tournaments are held in each sport. At the close of each season, there is a jamboree at which time the awards earned in that season are presented. There are a number of organized hikes and last year long-distance hiking was sponsored by Mr. Uhler. Since the school lodge has been built and some furniture has been supplied by the W.A.A., there should be a desire to hike there in the future.

The W.A.A. has adopted a point system whereby girls who participate in W.A.A. sports and activities receive a specified number of points. A class number is given for the first two hundred points. For each two hundred additional points, chevrons are awarded. The "I" is awarded for one thousand points. This insignia is presented at the Annual Athletic Ban-

quet which is an all-college function.

The celebration of May Day, last year, was terminated by crowning the Queen of the May as president of the organization.

### **EDWIN ARLINGTON ROBINSON POETRY CLUB**

The Edwin Arlington Robinson Poetry Club was organized in 1927 under the direction of Miss Carrie Belle Parks. The name is used with the specific permission of Mr. Robinson who indicated his interest in the club's work.

The aim of the club is "the promoting of broader appreciation and knowledge of poetry." To this end activities are carefully planned each year by a program committee, and are carried out in monthly meetings. As last year was the bi-millennium of Virgil's birth, a study of his work formed the basis of the year's programs.

Membership is open to every student in the school. The club exists to foster appreciation, and will be especially valuable to two-year students whose curriculum may not include such material. A membership fee of \$1.00 is charged.

The Christmas dinner and the final banquet are the major social events. At the final banquet Robinson's *Tristram* is read. This has become a tradition to which all members look forward.

## DEPARTMENTAL ORGANIZATIONS

### ART CLUB

This is one of the newer and smaller clubs, but its size, sixty members, has never deterred it from large undertakings. It was founded in 1925 for the purpose of stimulating and directing permanent interest in things artistic, besides giving art students and faculty members opportunity to fraternize.

It has one informal and one formal social function each semester, and one business meeting each month. At the latter some of the best talent of town, faculty and student body, has been heard in music, fine arts, literature, and general culture. Each year the club presents some kind of a public performance. In 1931, this was a part of the program for the dedication of the fine new Arts Building.

Through the initiative of the 1931 president, Kenneth J. Arisman, the club has voted a medal, called the Jean R. McElhanev Award for Excellence, to be awarded annually to the junior or senior art student who has created three outstanding pieces of art work in three different fields of art.

Officers of this club for next year are:

President .....	Albert Miller
Vice-president .....	Robert Skelton
Secretary .....	Mary Wirt
Treasurer .....	Helen Rohalley
Social Adviser .....	Miss Alma B. Munson

Financial Adviser, Miss Mary Edna Flegai.

### HOME ECONOMICS CLUB

The Home Economics Club is an organization composed of members of the department of Home Economics. Entering students in this department desiring membership in the club should make written application to the president of the club before the second club meeting of the school year.

The major purposes of the club are; to unite the department in a close social relationship, to develop leadership, dependability, and responsibility, and to co-operate with other organizations on the campus for the promotion of educational progress and loyalty to our college.

The meetings, which are held the third Tuesday of every month after the opening of school in September, are planned by the members of the club. Some of them are educational, while others are social. The latter include teas, picnics, banquets, and a May Day Breakfast.

The club subscribes annually to the magazine, Junior Home Little Folks, which is sent to an Indian school in Hoonah, Alaska. For the past three years the club has contributed to the Student Loan Fund.

In reply to an announcement of a prize and a desire for a club song, several songs were submitted this past year. THE CLUB SONG, written by a prominent local musician, was accepted and is being sung at all the functions of the club.

This year the members of the club have been stimulated toward bigger efforts through the erection of the Arts building which houses our department. When possible, the activities of the club are held in the spacious rooms of the new department.

Election of officers of the club for the following year takes place at the last meeting in the school year. The officers are elected from the club members in this manner: President, Senior; vice-president, Junior; Secretary (Junior or Sophomore; Treasurer, Junior or Sophomore.

### **JUNIOR CHAMBER OF COMMERCE**

A very active organization on our campus is the Junior Chamber of Commerce, which was organized in 1925. Its members include all faculty and students in the Department of Commerce.

The purpose of this association is to promote interest in the organization of commercial clubs in high schools and to train teachers in the organizing of such clubs; to discover and serve the needs of the Department of Commerce of the State Teachers College, Indiana, Pennsylvania; to furnish a means of developing professionally; to encourage social contacts; to become conversant with modern progressive business methods and systems; and to furnish a means of gaining contact with other schools and associations.

Meetings are held monthly. They afford frequent opportunity for public dis-

cussion and debate on current, popular topics applicable to the work.

The social activities of the organization are numerous. They furnish means of becoming better acquainted with one another and contribute to the social development and recreation of those who participate. Each spring and fall an outing is held and several dances and parties are given throughout the year.

### **JUNIOR-SENIOR HIGH SCHOOL CLUB**

The Junior-Senior High School Educational Club was organized into a social group in 1925 under the direction of Mr. Walsh. This group has a three-fold purpose; educational, social, and political, and it endeavors also to create a better understanding between faculty and students. At the social gatherings held at various intervals throughout the year, faculty and students meet on an equal basis. The resulting feeling of friendship and mutual understanding is probably the most important outcome of these meetings.

Previous to year before last, it was the established custom of the organization to have monthly meetings at which educational talks, music and readings, and novelty programs, were given. The past two years, however, Dr. Foster's plan of monthly departmental assemblies was carried out, with the result that the old type of meeting was displaced by this experimental assembly. Each month the pro-

gram was in charge of some department in the Junior-Senior High School curriculum. The assemblies were demonstrations of student abilities and talents, and proved so successful, they will undoubtedly be continued this year.

### **ELEMENTARY DEGREE CLUB**

The term of 1930-1931 found this number more than doubled with forty members of the club, sixteen of whom were seniors. This term was brought to a successful close under the direction of our sponsor, Mrs. Louise G. Walsh.

The club has elected the following officers for the year of 1931-1932.

The social affairs of the club are varied and interesting. An outstanding event is the tea dance given by the Seniors to welcome the new Intermediates. The monthly meetings are very worth while. The club greatly appreciates the interesting programs provided by members of the faculty.

All Intermediates are privileged to participate in the activities of the club and to aid in maintaining its high standard of professional and social culture.

### SIMMA TAU GAMMA

Sigma Tau Gamma is the oldest national, social, and educational fraternity operating in the Teachers College and Normal School field. It was founded at the Central Missouri State Teachers College, Warrensburg, Missouri, June 28, 1920, and nationalized at Emporia, Kansas, in October 1924.

Pi Chapter was installed at Indiana November 8, 1930, taking the place of Phi Kappa Delta, a local organization. Including Pi Chapter, there are sixteen chapters of Sigma Tau Gamma located in ten different states.

The requirements for membership in the fraternity are high scholastic standards and excellent character.

ATHLETICS

Indiana is exceptionally fortunate in equipment, facilities and instructional staff for carrying out a varied and comprehensive program of intramural and varsity athletics. The advantages just indicated that become the privilege of the boy at Indiana surpass those of most of the colleges in the state.

Virile activities such as football, basketball, baseball, and track, are promoted to satisfy the needs of the boy while in school and activities with a carry over value including tennis, handball, swimming, scouting, fencing, and golf that are taught for leisure time recreation.

Wise provisions are made to give the student the kind of education through the physical that will enable him to meet the requirements insisted upon by superintendents of schools at the time the prospective teacher makes an application for a job.

### **INTRAMURAL ATHLETICS FOR MEN**

Indiana believes in Varsity athletics and every man in college is encouraged to try for at least one Varsity team. However, to provide for those of limited time or ability the Intramural program of athletics furnishes an opportunity for every man to engage in the various sports on nearly equal terms with other competitors with a minimum loss of time and maximum benefits to be derived from athletic competition. Leagues, tournaments and meets are organized among our own students and it is hoped that every man will take part in as many activities as possible.

George P. Miller, Coach

---

In addition to the educational, social, recreational and health values from intramurals there is the professional value. Many of our students are able to secure better positions because of a knowledge of the various games and the ability to coach them.

Beginning September 1930 Intramurals at Indiana were placed on the "point basis." Points are given to each man for participation, for sportsmanship, and for winning. Suitable awards are presented to the ten men having the highest number of points at the close of the college year. A list of point values is posted in the gymnasium.

The program of sports for the year is as follows:

Fall—Tennis, Speedball.

Winter—Basketball, Foulshooting, Volleyball, Boxing.

Spring—Swimming, Horseshoes, Playground ball.

---

### **VARSIITY "I" CLUB**

As the name implies this club consists of those men who have won the "I" in any major sport, and of the male faculty members who are on the Athletic Council.

The purpose of the Club is five-fold:

1. To promote brotherhood among the athletes in College.

2. To promote clean athletics.

3. To promote school spirit.

4. To interest athletes to enter our school.

5. To foster qualified scholastic standing. (In connection with this last point there is a standing committee whose duty it is to keep track of the scholastic work of the club members and investigate any failures or low marks.)

The officers of the club consist of a president, vice president, chief scribe, and treasurer. They all hold office for one year.

The organization has been self-supporting throughout its history. It is distinctly against professionalism and subsidized athletics.

The officers for the year 1931-32 are:

President ..... Joseph Siegman

Secretary ..... Paul Kunkle

Treasurer ..... George Marshall

In the future the "I" club will have formal initiation of new members instead of informal as it has been in the past.

1. No letter shall be awarded except when duly authorized by the athletic committee.

2. No letter except that duly authorized and awarded by the athletic committee shall be worn by any student.

3. Certificates in each sport shall be awarded with the letter to protect the students from such infringement.

4. The varsity "I" shall be an eight (8) inch, red, block, chinele letter on grey felt background.

5. The class numerals shall be two (2) inch, red, block figures.

6. The tennis letter shall be a six (6) inch, red block chinele letter on grey felt background.

7. Managers of teams will receive the eight (8) inch varsity "I" with a half inch bar of slate, placed in the base of the "I."

8. Cheer leader will receive the eight (8) inch varsity "I" with a grey megaphone in the base.

9. The manager of the Boys' Intramurals will be awarded a six (6) inch red block chinele letter with monogram "I" in the base of the letter.

10. The W. A. A. insignia shall be that adopted by its officers and faculty advisers, but shall not be a plain block letter.

11. Any player on any team who in the

judgment of the athletics committee is deserving even though specific requirements have not been met, shall be awarded the varsity letter, if so recommended by the coach.

## THE ANNUAL ATHLETIC DINNER

In 1930, the Athletic Council conceived the idea of the athletic dinner to which the entire school and faculty could be invited.

The purpose of this dinner was to combine the several athletic banquets into one annual event, at which time the entire school might enjoy the spirit and enthusiasm so characteristic of Indiana's athletic teams. For this annual event, speakers of national reputation have been engaged. At this time letters, certificates, and awards earned by the members of the varsity teams, the Women's Athletic Association, and the intramural athletic activities, are awarded.

Our rapid industrial development has brought about an increase of leisure time. That we become educated, in the ways and means of making a wise use of this increasing leisure, is one of the challenges of our changing civilization.

In the short space of two years, we are convinced that this annual dinner has become another of Indiana's worthwhile traditions, and contributes its full share in building desirable attitudes towards the wise use of our increased leisure.

## SONGS

### Alma Mater

To our noble Alma Mater's name,  
We, her children, sing a joyful lay,  
And to her a new allegiance pledge,  
That lives beyond a day.

#### Refrain

Sing, oh sing! our Alma Mater's praise,  
Hail, oh hail! her color's gleaming hue!  
Give to her our homage and our love.  
And to her Name be true.

A pray'r for her who shelter'd us,  
A hope no child her name will stain,  
A cheer thrice giv'n with hearty voice,  
And now the sweet refrain.

Of Loyalty are symbols twain,  
Her colors, crimson and the gray,  
"Dear Indiana Mother Fair,"  
The burden of our lay.

Words and music by  
Mrs. Hamlin E. Cogswell.

---

### Spirit of Indiana

On! On! On! On to victory,  
Everyone expects to see you win today.  
Fight to win! "Play the game square!"  
Always for your Alma Mater do and dare!  
Now then go! Give them not a show.  
You have skill and daring, that we know,  
For not only will you score, but will add  
a few points more,  
Just to show them how we do at Indiana.

Indiana, don't you hear our cheer?

That you'll honor us we have no fear.  
See your pennant floating o'er the field!

Unto foeman you will never yield.  
You will hear us as we shout and sing,  
With your praises will the welkin ring.  
Other teams will know their fate,

When they meet the "Red and Slate."  
It's the way we always do at Indiana.

Victory! Victory! Victory!  
With your faces ever towards the foe.

Victory! Victory! Victory!  
Pressing forward down the field you go!

Victory! Victory! Victory!  
Every man is finding every play.

For 'tis written on your shield,  
"Unto foeman never yield."

We will always do our best for Indiana.

Words—Mrs. Hamlin E. Cogswell.

Music—Mr. Hamlin E. Cogswell.

### **Pennsylvania**

Pennsylvania, my native state,  
To you we pledge our devotion.  
Pennsylvania, our loyalty is boundless as  
the ocean.

#### **Refrain**

Pennsylvania, Pennsylvania, strong and  
true,  
Pennsylvania, Pennsylvania, hear our song  
to you,  
There is beauty in your mountains,  
There is peace upon your hills,  
And where're I roam  
My only home is Pennsylvania.

Pennsylvania, we thrill with pride  
To be your loyal descendants,  
Pennsylvania, all hail to you,  
The foundation of independence.

---

### School Song

Come and join our song of triumph;  
Bring to Indiana's fame  
Laurels of each new endeavor  
That will glorify her name.

Forward then for Indiana!  
Make these hills and valleys ring.  
Lift her crimson and her silver gray  
Honor to your Alma Mater bring.  
Come, ye sons and daughters of her heart,  
Each to his own valiant part,  
Fight till you've won,  
Then, the strife of battle done,  
Sing, sing on for Indiana!

—Evelyn Jones.

### The Beacon Light

In the ages long departed  
Slowly grew the need for light;  
Beacons now illumine each highroad  
Showing ways of Truth and Right.  
Years ago our Indiana  
Raised her tower to the sky,  
Here a glowing beacon lifted  
Kindling hearts to purpose high.

#### Chorus

Then it's hail to Indiana!  
From the East to boundless West,  
Never burned a beacon brighter,  
Never was a way more blest  
For the far off goal of learning;

We who seek and catch her beam,  
Send it forth to darkened byways  
In an ever-widening stream.

Our forefathers found the trail here  
Blazed where red men softly trod,  
Patiently subdued the forest,  
Plowed and sowed the virgin sod;  
And at last from labors lessened  
Looked they upward for the light  
Flaming from the beacon tower  
Where our College crowns the height.  
Words—Margaret Hawkins.  
Music—Carolyn Gessler.

### **Follow the Gleam**

To the knights in the days of old,  
Keeping watch on the mountain heights,  
Came a vision of Holy Grail,  
And a voice through the waiting night,

Follow, follow, follow the gleam  
Banners unfurled o'er all the world  
Follow, follow, follow the gleam  
Of the chalice that is the Grail.

And e who would serve the King,  
And loyally Him obey  
In the consecrate silence know  
That the challenge still holds today.

Follow, follow, follow the gleam  
Standards of worth o'er all the earth  
Follow, follow, follow the gleam  
Of the light that shall bring the dan.
